

RESOLUTION 2012-003

RESOLUTION AUTHORIZING THE AWARD OF A CONTRACT
WITH AN ESTIMATED COST BETWEEN \$2,625.00 AND \$17,500.00
WITHOUT PUBLIC ADVERTISING FOR BIDS

WHEREAS, the "Local Public Contracts Law" provides that except for contracts which require the performance of professional services, all contracts or agreements which do not require public advertising for bids and the estimated cost or price is between \$2,625.00 and \$17,500.00, two (2) or more competitive quotations as to cost or price, whenever practicable, shall be solicited by the contracting agent, and the contract or agreement shall be made with and awarded to the lowest responsible bidder; and

WHEREAS, The Bordentown Sewerage Authority has solicited from the following bidders the respective quotations as to the price:

<u>BIDDER</u>	<u>PRICE</u>
Computer Software, Inc.	\$14,713.17
Hewlett Packard/CDW	\$15,883.88

for the following goods or services:

Computer Server Upgrade, Associated Hardware and Software, and Installation

WHEREAS, a Certificate of Availability of Funds has been provided by the designated certifying finance officer and is attached hereto.

NOW, THEREFORE, BE IT RESOLVED, this 17th day of January, 2012, that a contract, be and the same is hereby awarded to:

Computer Software, Inc.

in the amount of \$14,713.17, for the goods or services described above.

THE BORDENTOWN SEWERAGE AUTHORITY

By: 
Ronald L. Marino, Chairman

Attest:

Nancy A. Liberman, Secretary

I have reviewed this Resolution and the Certificate of Availability of Funds and am satisfied that an appropriate Certificate of Availability has been provided.

With some storage requirements escalating and others becoming more complex, factors such as flexibility, performance, increased reliability, greater density, security, scalability and accessibility are more critical than ever. Today's organizations consist of different kinds of environments. Enterprise data centers must be online 24x7, fulfill requests from numerous users simultaneously, and allow for constant growth and expansion while in operation. Other customer environments require high capacity storage and high data availability for low I/O environments. HP's portfolio of SAS drives meets all these demands.</p>	\$409.70	<input type="text" value="6"/>	\$2,458.20
