**Special situations (check all that apply):**

- A.) The Authority is operating under a temporary budget and:
- 1. the full cost of the contract is certified against the temporary budget; or
  - 2. only the pro rata amount of the contract is charged against the temporary budget and the contract contains a clause making its continuation past the date subject to a further appropriation of sufficient funds.
- B.) This contract is an open-ended contract for goods at a unit price up to a maximum amount and:
- 1. the full maximum amount permitted by the contract is being certified; or
  - 2. the amount of the purchase shall be certified at the time that such goods are ordered by attaching the certificate of availability to the file copy of the purchase order.
- C.) This 12-month contract does not coincide with the fiscal year and:
- 1. the full cost of the contract is hereby certified against the budget of the year in which the contract is awarded; or
  - 2. the amounts for which liability is to be incurred is hereby certified against the two respective budgets at this time.
- D.) This is a multi-year contract and:
- 1. this contract is for construction and related services and the full amount of the contract is hereby certified to the current budget; or
  - 2. this is not a construction contract, and the availability of funds will be certified to the respective budgets at the time that the goods or services are ordered.
