

RESOLUTION 2022-4

**AUTHORIZING THE AWARD OF A CONTRACT
WITH AN ESTIMATED COST BETWEEN \$6,600.00 AND \$44,000.00
WITHOUT PUBLIC ADVERTISING FOR BIDS**

WHEREAS, the "Local Public Contracts Law" provides that except for contracts which require the performance of professional services, all contracts or agreements that are less than the bid threshold but are fifteen percent (15%) or more of that amount, two competitive quotations, whenever practicable, shall be solicited by the contracting agent, and the contract shall be awarded to the vendor whose response is the most advantageous, price and other factors considered; and

WHEREAS, the Bordentown Sewerage Authority has solicited the following professional service quotation:

<u>BIDDER</u>	<u>PRICE</u>
Corpro, an Aegion Company	\$7,500.00

for the goods or services set forth below:

**Cathodic Protection Services-design and testing services for the Authority's
Sylvan Glen pump station**

which the Authority has determined are directly related to the performance, completion or undertaking of the project for the following reasons:

To review construction drawings, and any other pertinent information, perform soil resistance testing at locations defined by Corpro engineer, perform ultrasonic thickness (UT) testing to determine wall thickness at locations defined by Corpro engineer, identify locations for cathodic protection components, provide a written report to the Authority with drawings, installation, and cost estimate for protection installation.

WHEREAS, a certificate of availability of funds has been provided by the designated certifying finance officer and is attached hereto.

NOW, THEREFORE, BE IT RESOLVED, this 18th day of January, 2022 that the aforesaid contract for the professional services described above be and the same is hereby awarded to: **Corrpro not to exceed the amount of \$7,500.00.**

THE BORDENTOWN SEWERAGE AUTHORITY

Proposal for Cathodic Protection Services
Bordentown Sewerage Authority – CP Design & Testing
Bordentown, New Jersey

Corrpro is pleased to provide our proposal to provide cathodic protection design and testing services for the Sylvan Glen pump station located in Bordentown, NJ.

SCOPE OF WORK

Corrpro's scope of work is as follows:

1. **Design**
 - a. Review construction drawings, geotechnical report, existing data collected by Corrpro, and any other pertinent information made available to us.
 - b. Perform soil resistance testing at locations defined by our engineer.
 - c. Perform ultrasonic thickness (UT) testing to determine wall thickness at locations defined by our engineer.
 - d. Identify locations for cathodic protection components.
 - e. A written report will be submitted. The report will include the following:
 - a. Cathodic protection layout drawings and installation details.
 - b. Cost estimate for cathodic protection installation.

PRICING SUMMARY

Corrpro will provide the above items for the below pricing.

PRICING SUMMARY

Design: \$7,500

Corrpro's Pricing is valid for 30 days

PRICING BASIS

Corrpro's pricing is based on the following information:

1. The right of ingress, egress, and access to all properties necessary for completion of the work to be provided by others. Delays and costs associated with right-of-way or access problems will incur additional charges.

QUALIFIERS

1. Any additional scope of work items requested, not included in Corrpro’s proposal will be charged according to the rates contained in the 2021 Corrpro Standard Rate Sheet.
2. Any standby time that applies to work stoppages beyond Corrpro’s control to include, but not limited to, customer directives, services provided by others, or access issues will be charged according to the rates contained in the 2021 Corrpro Standard Rate Sheet.
3. Corrpro shall not execute any work not outlined in this quote without a fully executed Change Order.
4. Invoices payable to Corrpro will be net 30-days from date of receipt.

If you have any questions regarding our quote, please contact me at **216.904.9065**, or via email at JBritt@aegion.com. Once again, we appreciate this opportunity.

Best Regards,

James Britt
