Chuck,

Here is what we can do for you. Our Pallets are 40 bags( 55.12 per lbs. ). The lead time is 20-28 days or so. The price is \$ 4.75 per lbs. delivered. The pc is 16153028 Zetag 7563. If you want to go with us the sooner you send over the order and PO the better because then we can give you the true lead time. It's coming from out warehouse down south and this way it get to you when needed.

So are you looking for 2 ½ pallet? That would be 108 bags each had 40 bags to the pallet.

Thanks again
