**COST PROPOSAL**

We continually strive to keep our fees at the lowest level consistent with the highest professional standards and your requirements for timely service.

We propose the following all-inclusive not to exceed fee of **\$31,000**, plus the costs associated with bank confirmations, if applicable, for preparation of the audit of the Bordentown Sewerage Authority for fiscal ending November 30, 2026.

The above fee assumes that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary as a result of errors, omissions, misstatements, or other inadequacies in the financial records or as a result of a discovery of material weaknesses in the internal controls, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Additionally, should the Division of Local Government Services impose additional auditing requirements which would require us to expand our engagement beyond the procedures and tests presently contemplated, we will advise you in writing of any such circumstance that would require us to seek an adjustment of the above fee.

Invoices will be issued monthly as the audit services progress. If additional work is required to be performed, the following standard hourly rates would apply:

STANDARD HOURLY RATES	
Engagement Partner	\$275.00
Quality Review Partner	\$275.00
Principal	\$225.00
Manager	\$200.00
Senior	\$165.00
Associate	\$125.00
Audit Support	\$75.00

**Services to Include:**

The 2025 Audit of the Bordentown Sewerage Authority Financial Statements. Single Audit and other nonaudit services, if necessary, will be billed at standard hourly rates.

Prior to the undertaking of additional work, an estimated fee will be submitted for approval. Personnel will be selected to perform these additional duties that will provide the maximum benefit at the minimum cost.
